## FROM THE PRINCIPAL

Dear Parents and Community Members,

Philomath Elementary School is a wonderful community focused on student achievement and success. Our biggest change this year involved the move of our 1st grade students to Clemens Primary School. For our remaining 2nd-5th graders, an atmosphere of respect and kindness permeates this learning community. Staff members in our school are dedicated to the preparing students for their next steps in both academics and social responsibility. The Oregon School Report Card provides a snapshot look at the participation rate and achievement levels on the Oregon Statewide Assessments, given to students in grades 3-5 in all Oregon public elementary schools, and the programs and services we believe are successful in our school. Student performance is compared with students and schools throughout Oregon. The results of the high-level comparisons indicate that students at Philomath Elementary School are performing the same as state averages in Mathematics and lower than the state averages in Language Arts and Science. Academic growth for our students is typical of other schools in Oregon.

With school data remaining about the same as last year, Philomath Elementary School has areas in which we can improve. This report helps us to identify key areas of needed improvement and/or additional supports. Philomath Elementary School staff will continue to work diligently to provide both academic content and context opportunities for all students to demonstrate their knowledge and skill. Philomath Elementary School staff members remain focused on providing a productive and positive learning environment for all students. We know that improvements are not possible without the partnership and relationships with students and parents. You can help by ensuring your child attends school regularly, communicating with your child's teacher, participating in parent/teacher conferences, and attending school events. We are looking forward to another outstanding year of learning and growth at Philomath Elementary School.

Thank you,

Principal | Susan Halliday

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
