

FROM THE PRINCIPAL

Dear Parents and Community Members,

The Philomath School District is very fortunate to have a school dedicated to our youngest learners. Clemens Primary School provides an opportunity for Preschool, kindergarten, and first grade students to receive a strong start to their educational careers. Each year, all schools receive a State Report Card containing information primarily based on student participation in and performance on Oregon Statewide Assessments. Clemens Primary School students do not participate in the statewide assessments utilized in this aspect of the school accountability system. Therefore, our school assessment scores will generally mirror that of Philomath Elementary School.

This year, our focus at Clemens Primary School will be to design, implement, and assess student academic success by using our

newly purchased literacy curriculum. In addition, our students will continue to benefit from other content areas, such as music and physical education, as well as focused instruction aimed at whole-child social development and mindfulness.

We know that student growth is not possible without partnerships with parents and community members. We value you as partners in the process of educating your children and we want you to feel welcome and respected in our school community. With your support, we look forward to the coming year and all of its celebrations and successes.

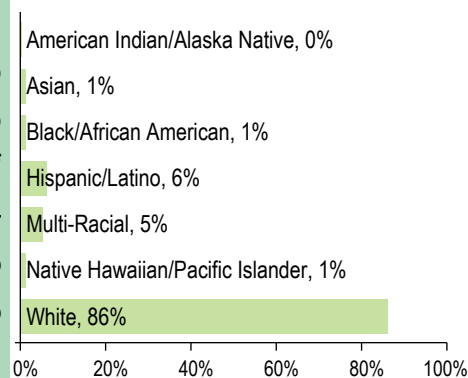

Thank you,

Principal | Abby Couture

STUDENTS

IMMUNIZATION RATES

Percent of students with all required vaccines: 95
Percent of students without all required vaccines: 5

(The percent without required vaccines includes students with medical exemptions, nonmedical exemptions, no immunization records, or up-to-date but incomplete immunization records. Visit <http://www.healthoregon.org/immdata> for more information.)

When data are unavailable or to protect student confidentiality:

* refers to groups of less than 6 students.

<5 indicates that a percentage is less than 5%.

>95 indicates that a percentage is greater than 95%.

*** refers to a school that offers lunch at no charge to all students.

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
