

KNIGHTS READING CLUB, SUMMER 2017

Dear Parent,

The Knights baseball tickets have been passed out today to all participating CPS and PES students. They are in a white envelope with a student name on front. In addition to the two tickets, there is a coupon for a free smoothie from Jamba Juice. **If there is a problem with the tickets, please contact the Knight office at 541-752-5656.** The Knights reps have been very helpful with our reading program this spring, and I'm sure you will get your question answered!

Also, remember that our schools have partnered with the Philomath Community Library for our summer reading challenge. Students may fill out a Reading Log so they may participate in the Principal's Reading Challenge at Blodgett Elementary, Clemens Primary and Philomath Elementary this fall. This Reading Log also is good for prizes and raffles at the Philomath Community Library. Take a look at their summer calendar of events here:

<http://www.libraryinsight.com/calendar.asp?jx=d4> .

Best regards for a summer full of reading adventures,

Mrs. K'Lynn Coleman

Philomath Elementary School and Clemens Primary School
